## Be Sports

It is not much wonder that the feeling between Toledo and Newport is not as it should be when one takes into consideration the kind of sports some of the Newporters are. A good sample was given last week by the writers in the Newport papers showing how these papers are striving to bring about a more friendly rivalry between the two towns (we don't think so).

Some weeks ago the Toledo girls went to Newport for a game of basket ball. Did the Newport girls meet them at the landing and do the honors? We don't think so. When the girls went up to the hall to practice was the hall open and ready for them? We don't think so. Did Toledo win the game? We don't think so. After the Toledo girls returned home did they fill the local ravers full of slush? We don't think so. But what they did do was to get in and practice and when the Newport teams came up for a return game Toledo was able to defeat them. What the Newporters did when they got home was to fill their local papers with a writeup of their sporting history which made very sensational reading, and perhaps relieved their feelings to a certain extent. That the Newport editors would allow such rot in their papers is beyond comprehension. It certainly does not represent the sentiment of the true sports at Newport by any means.

We have heard some few here make the remark that after such treatment as this at Newport's hands they will get even by not attending the show given here by the Newport Dramatic Society tomorrow evening. Now we believe such remarks are about as foolish as the remarks gotten off by the Newport soreheads. Show that you are a sport by going to the show. Do not copy the methods of pikers and soreheads or allow their acts to influence your good judgment.
